CDR Break-Out Session

Back-Brief

Commander's Break-out Issues

- National TAC tracking
- Utilizing USAR TACs to support OCS?
- Qualified Drill Sergeants can support OCS with a waiver
- Need accurate ATRRs numbers so we can plan
- Need to get Phase I staggered multiple starts

Commander's Break-out Issues

- Ft. Lewis Phase III graduation Saturday not Sunday
- In-Processing Phase I:
  - Waivers not complete
  - Physicals not complete
- Reinstate sample folder – standardization
- OCS recruitment mission needs to be in units not RTI

Commanders Break-out Issues

- Oregon TAG put out Education First Program
- Lack of quality TSPs for new CMP
- South Dakota is collecting TSPs that companies are creating – on their web site for use
